Care Curiosity Determination

Dear Parents/Carers,

A warm welcome back to another year at Markeaton! We hope you had an enjoyable and restful Summer and are raring to go all over again.

An extra special warm welcome to all our new children who have started in FS2 and all the families who have joined the Markeaton Community. It's lovely to see so many new faces making their way through the gates in the morning. It is never easy waving your child off for their first day at school but I have to say, the children have settled in amazingly well and are already showing some incredible care, curiosity and determination!!

Speaking of walking through, you may have noticed the left-hand side of the playground looks a little different. That's because our brand-new classroom is finally up and running. The adjacent PE Shed has also had a bit of a facelift too – we think it looks pretty smart (see above)!

To be honest, it's been a pretty busy start to the term already...we have had dinosaurs, a planetarium and the usual helping of outdoor learning. No point in hanging around, best to get on with it from the get go!

Next week we are hoping to publish the results of last year's Parent/Carer Questionnaire (which will then be uploaded to the website). Thanks again for your input, we are looking forward to sharing what you told us.

Have a lovely weekend,

Mr I. Johnson
